

## E-Jet 20th Anniversary

On March 17, 2004 – 20 years ago – the success story of the E-Jet family of Brazil's Embraer began with the delivery of an E170 to LOT of Poland.

On this occasion, we are offering you all in-stock Embraer models\* in the 1/200 scale for a limited period of time at a very special price of € 20.00 net/net.

The selection of Embraer models can be found in our B2B portal under "Special Models".

The promotion is valid until Monday, April 1st.

572064	E195-E2 Embraer Golden Eagle
572071	E195-E2 KLM Cityhopper
572385	E190 QantasLink

\*The current new release, item no. 572842, currently being distributed, is excluded from this promotion.
