

E-Jet 20th Anniversary

On March 17, 2004 – 20 years ago – the success story of the E-Jet family of Brazil's Embraer began with the delivery of an E170 to LOT of Poland.

On this occasion, we are offering all in-stock Embraer models* in the 1/200 scale for a limited period of time with a special 20% discount.

The selection of Embraer models can be found at <https://www.herpa.de/en/Products/Sale/>

The promotion is valid until Monday, April 1st.

*The current new release, item no. 572842, currently being distributed, is excluded from this promotion.
