# Toy fair models

## Exhibition models 2024 on Open Day

The occasion for these eight special models is Herpa's 75th anniversary. Six passenger car models and three tractor units from Herpa's model car beginnings were produced in editions of 300 each in special packaging exclusively for the sales and end customer Saturday at the Spielwarenmesse 2024.

Remaining quantities, if available, will be offered to the specialised trade after the Nuremberg trade fair with the usual discount for trade fair models. Unfortunately, it is NOT possible to place an order or pre-order during the toy fair.

### Trade fair model 2024 and also Sales model on the Open Day

We have chosen the Trabant nT for the 2024 trade fair model. A bit of the reason for this is also our 75th anniversary of Herpa.

With the Trabant nT, we are going back to the „probably craziest idea“ in our entire company history.
