The Easter holidays are just around the corner and we are pleased to announce a special promotion. As a thank you to all those working over the holidays, Herpa is proud to proclaim its "Easter surprise with every order" campaign.

From **March 25 up to and including April 7, 2024**, we will include an Easter gift, selected by us for you, in the form of an airplane or truck model, with **every order amounting to €125 or more**. An **order value of €300 and over** will even deserve 3 such gifts.

Feel free to take part in this promotion **as often as you like**. Simply enter the keyword "Wings" or "Truck" in the commission field, depending on which category you would like your Easter gift to come from*.

* The promotion is only valid while stocks last. Easter gifts cannot be exchanged.

We wish you a happy Easter and relaxing holidays!
