

Finally, Intermodellbau again

At the Herpa stand at the world's largest model trade fair, there will be special models at exceptional prices

Actually, the trade fair was scheduled for April like every year, but then, due to the coronavirus pandemic, the Intermodellbau was postponed to **November 17 to 20, 2021**.

More than 20,000 models will be on display in ten halls at the leading international trade fair for model building and model sports in Dortmund: airplanes, helicopters, model trains, RC vehicles, functional models, model ships, cardboard model construction, figures, dioramas, and much more.

More than 500 exhibitors will participate in the Intermodellbau in Dortmund. Herpa is also present with a stand every year, and is looking forward to seeing you again in North Rhine-Westphalia after such a long break.

In **hall 4 at stand 4.F08**, we will present our latest top releases and offer you limited-edition exclusive models at special prices:

We will offer the Scania CS 20 high roof refrigerated box semitrailer "Herpa World History 11.2, Space Travel" (**122078**) at the Intermodellbau for 49 euros instead of 59.95 euros.

The Scania CS 20 high roof tractor "Sefl Transporte" (**312295**) is available for 29 euros instead of 39.95 euros.

The Mercedes-Benz Actros StreamSpace 2.3 18 swap container semitrailer "Alfred Talke" (**312868**) is available for 29 euros instead of 39.95 euros.

The Audi A6 Avant in brilliant black (**30708-002**) is available for 10 euros instead of 15.95 euros. Also, the BMW 5 Series Touring in Glacier Silver Metallic (**30708-002**) is available from us for 10 euros instead of 16.95 euros.

Visiting us at the Intermodellbau is definitely worthwhile. We are looking forward to meeting you.

SAVE THE DATE: Make a note now of the date scheduled for the Intermodellbau in April 2022. Herpa will be there again in Dortmund from **April 7 to 10, 2022**, with exclusive trade fair models.
